

# AirQ<sup>2</sup>

## Connectivity guide for Wi-Fi option

**Step:1**

First, turn to the back side of the Aereco AirQ<sup>2</sup> monitor.

**Step:2**

For Wi-Fi connectivity make sure that "Switch No 2" in ON.

**Step:3**

Long press the feather touch button, until you see "AP" on the LED screen of your AirQ<sup>2</sup> Monitor (approximately 6 seconds).

**Step:4**

Go to Wi-Fi settings of your phone (Android or IOS) and search for a network named "Air\_Monitor your device Id)".

**Step:5**

Enter the password "12345678"

**Step:6**

Open your phone browser and Type "192.168.4.1" in the address bar.

**Step:7**

Now select the Wi-Fi network you want your AirQ<sup>2</sup> to connect to from the dropdown. Put the Wi-Fi password of the network and connect.

**Step:8**

Download "AQI APP" on your phone from google play store for android devices and from app store for IOS devices.

**Step:9**

Open "AQI" app on your phone and log into your existing account or create a new account.

**Step:10**

Click ADD option on the top right corner & select AirQ<sup>2</sup> device.

**Step:11**

Enter the device ID manually or just scan the QR code. Printed on the back side of AirQ<sup>2</sup> monitor.

**Step:12**

Now, you can easily access the monitor's data on your mobile app.

### Data privacy

In order to benefit from an optimal use of the product (AirQ<sup>2</sup> monitor), you must register on the AQI APP or the website of AQI INDIA (<https://www.aqi.in>), partner of Aereco. Your personal data are collected on this occasion, such as your last name, first name, telephone number and email address. If you do not register, you will not be able to access the information provided by the product, such as the real time air quality. AQI INDIA is fully responsible for processing the personal data it collects (including air quality data) in order to resolve any problems you may have with the product or to improve its performance. To learn more about AQI INDIA's privacy policy, please visit <https://www.aqi.in/terms-and-condition>. AERECO's authorized personnel have access, via a dedicated portal, to some of your personal data collected by AQI INDIA and use it solely for the purpose of assisting you in the use of the product, if you request. These data are your last name, first name, product ID number and air quality data. AERECO does not store this information and does not share it with anyone. In addition, AERECO collects personal information that is necessary to process your order. In this case, AERECO is responsible for processing the data collected. This data will be stored in our customer database and will be kept for as long as required to process your order and any applicable guarantees. For more information on this subject, please refer to our general terms and conditions. In general, you have the rights of access, rectification, deletion and portability of the data concerning you, as well as the right to object to the processing for legitimate reasons, you may assert your rights by contacting: (1) to AERECO's Data Protection Officer: electronically ([dpo@aereco.com](mailto:dpo@aereco.com)) or by post (Le délégué à la protection des données - Société AERECO - 62 rue de Lamirault - Collégien - 77615 MARNE-LA-VALLEE cedex 03); or (2) to AQI INDIA's Privacy Officer at [info@purelogic.in](mailto:info@purelogic.in), for data collected by AQI INDIA only.
